

Township of South-West Oxford

Poverty negatively impacts our ability to create a healthy, vibrant community. The fact that some people in Oxford County cannot afford basic needs, including nutritious and sufficient food is a real concern. In Oxford County, based on the 2010 after tax Low Income Measure, 12.3% of families live in low income.

On September 17, 2014, all Township of South-West Oxford Candidates were contacted via email and provided an introduction to, and a link to the following survey. The survey questions provide an opportunity for voters to start a discussion with candidates about poverty reduction. Our hope is that this survey serves as a starting point to an ongoing conversation about poverty in Oxford County.

Participation in the survey was voluntary. Responses provided by the candidates that completed the survey are posted and have not been changed in any way. The Oxford Poverty Action Coalition and Social Planning Council Oxford would like to thank those candidates who have completed the survey.

The following candidates from South-West Oxford did not submit a completed survey:

Question Seven

Nutrition-related diseases (e.g. diabetes, heart disease, and certain cancers) cost Oxford County and the province of Ontario millions annually. Low income residents can't afford to eat a healthy diet, once housing and other essential bills are paid.

What would you do, if elected, to help ensure that everyone in Oxford County is available to afford a healthy diet?

Candidate	Position	Response
David Mayberry	Mayor	"Poverty is a complex problem, and requires an intentional effort to reduce. Understanding the variety of issues and the opportunities to provide or facilitate sustainable programs that empower those in need to escape poverty is the first step. Supporting organizations and programs that assist people in defining their goals and then to move towards those goals is essential. Poverty costs everyone something, we can't afford it!"
George Van Dorp	Mayor	"Set up a food co-operative to employ low income residents which will encourage farmers to grow more vegetables and fruit."
